

# TRIAL

**SW-MOTECH**  
**BAGS-CONNECTION**  
engineering for motorbikes

*The Trial QL is perfect for big off-road and touring bikes with sloped tanks*

**Features:**

- *Cavernous 23 l capacity (expandable from 17l to 23l)*
- *Produced from high-tenacity ballistic nylon yarn (an industry leading 1200 denier) which surpasses leather, Cordura and nylon in strength. Ballistic nylon is approved by the U.S. Military for use in bulletproof vests. Tough enough for the military and adventure bike touring. In abrasion tests conducted against nylon and leather, Ballistic scored highest. Leather scuffed at 25 cycles, nylon failed at 295 cycles, while Ballistic was only affected after 3000 cycles. In tests conducted to measure tear resistance, nylon started tearing at 5 lbs., Cordura tore at 74lbs, but ballistic held strong at 250 lbs!*
- *Internally lined with a water-resistant PE polymer*
- *Integrated see-through map pocket*
- *Integrated carry handle*
- *Heavy-duty zippers with oversized pulls for easier manipulation with gloves.*
- *Included shoulder strap allows for use as a tote bag when removed from the tank*
- *Detachable side bag that can be used as a hip-pack*
- *Removable centre compartment divider*
- *Reflective piping on top and sides*
- *Rain cover that hides out of sight when not being used*
- *Exclusive luxury internal lining*

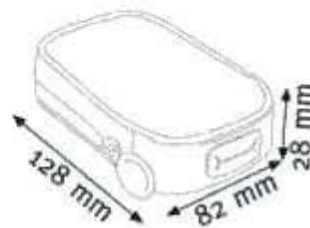

To fit a GPS unit to your tank bag you would require:

1. Bracket for PDA/GPS bag ( Part # BCK.GPS.00.010.100)

2. PDA/GPS large bag (Part # BCK.GPS.00.010.110) or
3. PDA/GPS small bag (Part # BCK.GPS.00.010.111)

Also suitable for other small electronics that require maximum protection e.g. Ipod, camera, cell phone
