

The small ATV/Quad bag can be used as either a front bag with large ATV's, or as a tailbag for smaller ATV's or Quads. The [Map holder](#), [PDA bag](#) and bottle holder are useful for every outing. [Water-resistant outer shell](#) keeps your items dry while the inner lining and dividers keep everything organized and secured. The bag is secured with the same stable 6-Point fastening system used with the large bags. Dimensions: 75 x 38 cm

Includes:
 ATV bag with main and side compartments
 6 lateral bag reinforcements
 Scratch resistant film
