

Small, reinforced passenger seat bag with the famous stable 4 point-fitting. Main bag is waterproof even without inner bags, because of its overlapping top cover. Side bags (one detaches to become a hip-pack) with waterproof zipper. Volume c. 25 lit., expandable to c. 38 lit. by circular zipper.

Includes:

- Expandable passenger-seat bag
- 4 mounting straps
- 2 backpack-straps,
- 2 support straps for licence plate installation
- scratch resistant film

Rearbag on GSXR K3, full volume (38 lit.)

full Volume (38 ltr.)

Rearbag tested on racetrack

Rearbag usable as backpack

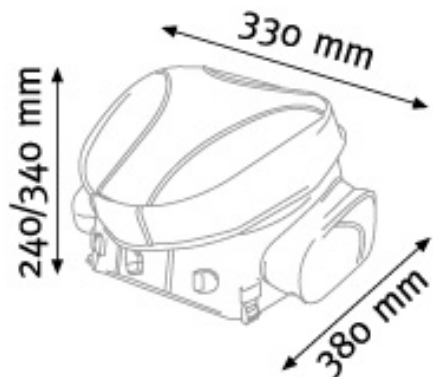

Article	Notes	Part number
Rearbag		BCK.RB4021 129.00

RearBag features:

- ***Expandable passenger seat bag***
- ***2 side compartments one of which is detachable and can be used as a hip-pack***
- ***Shoulder straps for off bike use as a backpack***
- ***Integrated aluminum self supporting construction maintains the shape and requires no hard luggage rack***
- ***Racetrack tested***
- ***Hand-made from an industry leading 1200 denier high-tenacity ballistic nylon yarn which surpasses leather, Cordura and nylon in strength.***
- ***Waterproof, seam sealed inlays.***
- ***All internal material is also lined with a water-resistant PE polymer***
- ***Reflective webbing adds conspicuity at night.***
- ***Heavy-duty zippers offer oversized pulls for easier manipulation with gloves***
- ***25 to 38 liters of storage volume through expanding function***
- ***Solid hold four point fitting.***

Standard accessories: 4 fitting straps, 2 support straps for license plate mounting points, 2 backpack straps, paint protection film.

Bags-Connection has tested its products on most current-model motorcycles. Based on these fitting tests, Bags-Connection recommends the RearBag for use with the unmodified stock bikes listed below (product may also fit additional motorcycle models):
